

REMARKS

The specification has been amended to obviate the formal objection. Applicants greatly appreciate the indication of allowance of the claims as amended in response to final rejection, especially in view of the Examiner having exercised her discretion to enter the amendment.

If there is anything further that needs to be corrected, applicants would be happy to do so. If so, a telephone call to the undersigned would be appreciated.

In the unlikely event that the transmittal letter is separated from this document and the Patent Office determines that an extension and/or other relief is required, applicants petition for any required relief including extensions of time and authorize the Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to **Deposit Account No. 03-1952** referencing docket No. 295002005901.

Respectfully submitted,
